FOLIO

Also incorporated is the following subject matter provided in correspondence, yet not particularly identified with a Philip Morris disclosure (D) number:

1) Drawings showing the smoking article housing design received by fax on February 11, 1993 (No inventor names provided);

2) Disclosure discussed in your January 25, 1993 letter relating to the "Kiss Seal" and a method of making a heater from a flat sheet of metal (Houck and Stevens);

3) Notes from your February 10, 1993 meeting with Mike Watkins relating to symmetrical heater designs; and
